San Antonio Regional Golden Gloves

For 100 years, Golden Gloves of America, Inc. has provided safe environments and activities for young people; promoted their physical and emotional well-being; and nurtured discipline and self-respect, while facilitating the careers of multiple world champions and community leaders. The need still exists for Golden Gloves in the San Antonio region and the San Antonio Regional Golden Gloves still needs the support of citizens like you to continue our mission, activities, and events throughout our community. San Antonio Golden Gloves remains committed, especially during these difficult times, to provide for athlete's amplified need of safe physical activities and support, as well as to assist with their mental and emotional wellbeing, but requires your assistance.

The 2023 tournament, a continuation of an annual San Antonio boxing tradition and an amateur boxing staple, culminates the end of yearlong training and great anticipation for the opportunity to compete for many of the area's youth. These athletes dedicate their time, efforts, and energies in a positive direction to prepare themselves. This tournament allows them a chance to showcase their individual talents and the athletic skills they have developed. It, along with your support, affords us the opportunity to crown the best boxers in San Antonio, Champions, and take them to compete in the Texas State Golden Gloves Tournament of Champions in Fort Worth TX. From there, they can advance and earn a coveted National Golden Gloves Championship Title.
