Texas Golden Gloves Athletic Association San Antonio Region

Letter from the Director

This year brings 89 years of Golden Gloves in Texas and San Antonio Golden Gloves remains committed to providing opportunities to the San Antonio Region's amateur boxing community. In our strides of facilitating growth and development of boxing as a whole and the area's youth specifically, San Antonio Golden Gloves hosted the 2024 Texas Junior Golden Gloves Tournament of Champions. Juniors and Youth in Texas have not had a chance to compete in Golden Gloves at the State level since 2016. The tournament drew competitor's interest from across Texas and from around the county. We crowned 47 champions and gave our Junior champions the opportunity to advance to the National Golden Gloves Junior & Youth Tournament of Champions, thanks to the sponsorship of Davies Entertainment. Ultimately Golden Gloves of America canceled the 2024 Nation Junior and Youth Tournament of Champions. However, we did extend our support for those Junior Champions wanting to participate in the 2025 tournament. Our San Antonio Franchise came away with the overall team Championship as well as nine individual champions at the Texas Junior Tournament. Our Senior Team did not fair as well earlier in the year, coming up short with no individual champions nor any national representation and only one, Lawrence Cloud, making it to the finals at the Texas Tournament of Champions in Fort Worth.

Leading up to the Texas State Tournament, our San Antonio tournament finished with Anzures Boxing winning the 1st Place Open Team trophy and San Antonio College winning the 1st Place Novice Team trophy. Leo Del La Cruz boxed his way to the Outstanding Boxer award, while Nathan Maldonado earned the Outstanding Sportsmanship award.

San Antonio Golden Gloves Thanks All who donated, sponsored, participated, and supported this tournament and our efforts.

Thank You, To All

Ellis Johnson
