## Letter from the Director

As San Antonio Golden Gloves marks its 90th year in existence, we still look to build on our efforts and accomplishments. We continue our efforts to support the maintaining of safe environments for the local amateur boxers and provide competition opportunities for them to showcase their skills.

In 2025, Castillo's Boxing, Cobrita Boxing, and Ferocious Fitness & Boxing received our annual give back of Title equipment and supplies for the betterment of their training facilities and boxers' experience. San Antonio Golden Gloves again hosted the Texas State Junior Golden Gloves tournament allowing our local kids a chance to compete in Golden Gloves and for the winners, an opportunity to attend the Golden Gloves National Junior and Youth Tournament. We also launched our Golden Gloves Boxing Bursary program providing troubled youth with an opportunity to allow boxing to help right their course as well as better their lives and situation as it has done for so many other kids and young adults. Working with the Bexar county juvenile justice system, the selected deserving youth will have financial barriers removed; providing them unfettered access to productive outlets for their attention and energies.

We took nine Senior Open boxers to the 2025 Texas Golden Gloves Tournament of Champions in Fort Worth and three (Devante Monsivias -198+lbs, Aden Jacks-198 lbs, and Obed Bar-tee-176 lbs) came back as Texas State Champions. Bianca Ortega walked-over in the 125 lbs. weight class at the State tournament, however she took the opportunity to go to the Nationals Golden Gloves Tournament of Champions and brought back a Bronze medal along with Obed.

Our tournament last year saw a 3-way tie for the 1st Place Open Team winner with Anzures Boxing edging out Leija Boxing and Ferocious Fitness & Boxing. The 1st Place Novice Team award went to San Fernando Boxing and their Iranza Platon won the Sportsmanship Award. John Escamilla took the Outstanding Boxer award and Shawn Craddick earned the Outstanding Official Award. Coach Steven Franco assisted by little Max Perez won the annual Mitt Contest, which we held before our Coaches' Meeting.

San Antonio Golden Gloves would like to Thank All who donated, sponsored, participated, and supported this tournament, our efforts and the competitors.

Thank You, To All

*Ellis Johnson*
